Design Team Continues Work

The Design Team continues its process of working with the architects to design our new Church. Since February we have been meeting regularly, have divided into subcommittees, and have toured up to 13 different churches. All of this has been done to help us help the architects create a beautiful Church building for St. John Paul II Parish.

The design team has been divided into the following areas:

- **Site Design:** Dave & Mag Young, David Martinson, Dan Cristiani, Janet & Willet Lee, Paul Primavera, Greg & Deidre Sills
- **Building Design:** Keith Alexander, Steve Taylor, Fr. Tom Clegg, Ashley McKnight, Diane & Robert McKnight, Gordon Strom, Cathy Thomas
- **Music & Sound:** Bridget Meyer, Tony Bennett, Cary Dyson, Wayne Howlett, Kate Majot
- **Interior Architecture:** Kenny & Terri Popp, Jessica Alexander, Bentley & Suzi Bruner, JoAnn Kime, Merlin Popp, Donna Taylor, Mike Waiz
- **Liturgical Furnishings:** Mary Lynn Green, Jenny Alexander, Ray & Linda Helms, Debbie Kirchgessner, Barbara Renners
- **Sacred Art:** Fr. Tom Clegg, Marina Traub, Joyce Hagest, Christina Wheatley, Jackie Partlow
- **Steering Committee:** Fr. Tom Clegg, Francis Conroy, Keith Alexander, Dan Cristiani, Mary Lynn Green, Bridget Meyer, Terri Popp, Paul Primavera, Steve Taylor, Mike Waiz, Dave & Mag Young

These committees will continue to meet for the next few months. Our hope is to have a preliminary design to place before the parish in November.

Many members of our committee recently toured St. Mary's, Greensburg, Indiana. They felt it is closest to what they believed is the kind of Church that we would like in our parish community. We ask all parishioners to take a look at these photos as well as those posted on the parish website. Please let someone on the committee know your thoughts. When looking at the pictures please be aware that some finishings (trims, etc.) are not complete.
