The St. John Paul II Campaign

Pledges

Prayerfully considering a multi-year pledge permits parish families to consider a gift of substance that will allow our parish to meet our needs. It allows for a substantial and sacrificial gift that is within the economical means of the donor.

Personal Contact

Campaign visitors have met with more than 380 parishioners to discuss the capital campaign. Phone-a-thons have begun and our goal is to reach out and contact more than 600 parish families. Personal contact provides the opportunity for parishioners to learn more about the campaign, ask questions, and be provided the opportunity to prayerfully consider a sacrificial, multi-year pledge.
